Jordan Peacock, No. 1148, A. S. H. R. THE BEST BREEDER IN KENTUCKY

Will make the season of 1908 in Gradyville, Ky., at the low price of \$15.00 to insure a living colt 7 days old. JORDAN PEACOCK has sired more high priced colts than any Stallion in Kentucky. When you breed to him you are sure to get a colt, and a good one. His colts are always winners in fairs where ever shown. I noticed last year, at all the fairs I attended, there was a nice string of his colts and they were always winners. At Burkesville, Ky., there were 10 of his colts shown and Mr. Anderson Garret had the winner. This colt won \$90.00 at the Burkesville fair. Mr. Garret then sold the colt for \$100.00, and the man that bought it was offered \$200.00 for it while at the Somerset fair.

The Jordan Peacock Colt Show at the Columbia fair was the best colt show ever seen in Kentucky—30 in number, all good ones; several sold from \$100.00 to \$125 at weaning time.

JORDAN PEACOCK is known from New York to San Francisco, Chicago, and Boston City. Many of his colts have been bought and shipped to the above named cities and many other cities where fine horses are wanted. His colts are the kind that all lovers of fancy horses are looking for. To prove this, Jordan Peacock has been in Adair county for 12 years and has sired from 50 to 117 colts each yr. and to-day there is not over one dozen of his colts in Adair county that is over 3 years old. What has become of them? They have all been sold and left thousands of dollars in the farmers pockets. Don't let some one make you believe their horse is better to breed to than Jordan. If they are, why don't they have a colt show that will prove it.

Kentucky King No. 2528

Will Stand at Gradyville, at \$15 to insure a living colt 7 days old.

KENTUCKY KING is 5 years old, 16 hands high and weighs 1,200 lbs, is the best Saddle Stallion I ever backed. Last year I showed him at several fairs in Kentucky and Tennessee and at Celina he won FIRST IN THE GRAND SWEEPSTAKES FOR THE BEST COMBINED STALLION, MARE, OR GELDING, and defeated some of the best in Tennessee and Kentucky. At Monticello, Wayne county, Ky., he won the Championship for the Best Saddle Stallion, Mare or Gelding with 10 entries of as good ones as ever contested a show ring. Among them was Happy Bough, a horse shown by Mr. J. R. Beasley, of Lincoln county. Happy Bough is one of the best saddle stallions in Kentucky and was shown all through the Blue Grass Section and Kentucky King was the first horse to beat him last season.

KENTUCKY KING has the richest blood running through his veins of any saddle stallion in this section. He was sired by Red Squirrel No. 53, he by Black Squirrel. First dam by Alexander Lexington, he by Cabell's Lexington. Second dam by Artist No. 75.

When you breed to either of my horses you are breeding to the best in the land, and will get a colt that will sell at any age for a fancy price. If you want to raise the best bring your mares to my stock, and don't fool your time away breeding to common stock and something that is unknown.

If mares are traded or removed before the colt is 7 days old the money is then due. Pasture at 50 cts. per week or feed at cost.

Respectfully, W. L. GRADY.

LOUISVILLE WOOD FIBER PLASTER

Is a substitute for common lime mortar. There is intelligent economy in the use of this material.

The use of common lime mortar for plastering makes a weak and uncertain ceiling, as it is liable to fall any time and cause several hundred dollars damages. You can den it like wood; containing no sand you can saw or nail it like wood.
